

Statement of Representations Procedure

The London Borough of Lambeth intends to submit the Lambeth Site Allocations Development Plan Document Proposed Submission Version and associated Proposed Changes to the Policies Map (January 2024) (SADPD PSV and associated PCPM Jan 2024) to the Secretary of State for Levelling Up, Housing and Communities. The submission documents are being published prior to submission in accordance with Regulation 19 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

Title of document: Lambeth Site Allocations Development Plan Document Proposed Submission Version and associated Proposed Changes to the Policies Map (January 2024).

Subject matter and area covered: The SADPD PSV January 2024 sets out site allocations for thirteen sites across the London Borough of Lambeth to guide growth in housing and jobs, infrastructure delivery, place-shaping and the quality of the built environment. The associated PCPM January 2024 sets out proposed changes to planning policy designations on the Lambeth Local Plan Policies Map.

The Lambeth Site Allocations Development Plan Document will form part of the statutory development plan for Lambeth, alongside the Mayor of London's London Plan, the Lambeth Local Plan and the South Bank and Waterloo Neighbourhood Plan. Together these documents set the policy context for growth and development in the borough and provide the basis for determining planning applications.

Period within which representations must be made: Representations can be made over an eight-week period, beginning on Tuesday 18 June 2024. Representations should arrive back to the council no later than 5.00 pm on Tuesday 13 August 2024.

Representations can be submitted in one of the two following ways:
