

**LONDON BOROUGH OF LAMBETH**

**ROAD TRAFFIC REGULATION ACT 1984 - SECTION 14**

**TEMPORARY LANE CLOSURE AND ONE-WAY TRAFFIC SYSTEM THORNE ROAD**

1. NOTICE IS HEREBY GIVEN that, to enable telecommunication maintenance and repair works to be carried out, the Council of the London Borough of Lambeth, subject to the agreement of Transport for London intend to make an Order the effect of which would be to temporarily:-
  - a) ban vehicles from entering or waiting (including waiting for the purpose of loading or unloading a vehicle) in that length of the eastbound carriageway of Thorne Road (towards South Lambeth Road) which lies between Guildford Road and South Lambeth Road; and
  - b) impose a one-way traffic system for vehicles in that length of Thorne Road which lies between Guildford Road and South Lambeth Road in a westward direction (towards Guildford Road).
2. An alternative route would be available for vehicles affected by the ban described in paragraph 1(a) above, via Guildford Road, Lansdowne Way and South Lambeth Road.
3. The ban and one-way system described above would only apply at such times and to such extent as shall be indicated by the placing of the appropriate traffic signs.
4. The Order would come into force on 17<sup>th</sup> June 2024 and would continue for a maximum duration of 1 month or until the works have been completed, whichever is the sooner. In practice it is anticipated that the closure and one-way traffic system would only have effect between 17<sup>th</sup> and 19<sup>th</sup> June 2024, but if the works cannot be carried out or completed during this time then the Order may also have effect on subsequent days within the maximum duration of 1 month.
